How does the plan work?

- Step 1:** Choose your Annualized Premium amount and premium payment frequency.
- Step 2:** Select your Premium payment term, Payout period and Income plan option. The Policy term would be determined based on this (Policy term is equal to Premium Payment Term + one year + Payout Period)
- Step 3:** Choose the frequency in which you want to receive guaranteed income in payout period.
- Step 4:** Make the premium payment.

SBI Life - Smart Platina Plus provides guaranteed income during the Payout period.

You will receive the Guaranteed Income for the Payout Period opted by you after the end of the premium payment term plus one year as survival benefit. This survival benefit is paid at the end of each income frequency chosen by you during the payout period. The maturity benefit which is equal to 110 % of the total premiums paid would be returned at the end of the policy term.

This product offers two income plan options :-

1. Life Income
2. Guaranteed Income

Income plan option once chosen at inception cannot be changed.

You have a choice to receive your income in Yearly, Half-yearly, Quarterly or Monthly payout instalments as per your needs.

You can choose the income payout frequency at inception, which can be changed at a later stage. You may change the income payout frequency selected at inception within nine months from the date of expiry of Premium Payment Term, by writing to us. This option to change the income payout frequency will be available only once, i.e. within nine months from the date of expiry of Premium Payment Term.

The Combination of Premium Payment Term, Policy Term and Payout Period available are as follows:

Premium Payment Term	Payout Period	Policy Term (Premium Payment Term + 1 + Payout Period)
7 years	15/20/25/30 years	23/28/33/38 years
8 years	15/20/25/30 years	24/29/34/39 years
10 years	15/20/25 years	26/31/36 years

Guaranteed Income would be calculated as:

Guaranteed Income amount = Guaranteed Income factor X annualized premium amount multiplied by 'modal factor' based on the income frequency chosen.

Where,

The Guaranteed Income factor would be based on the Age at entry, Premium Payment Term, Payout Period, Income Plan option and Annualized Premium:

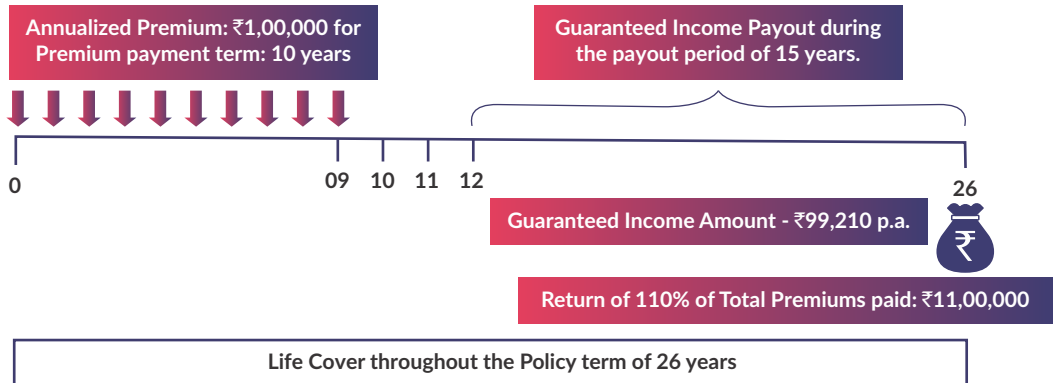

Modal factors for the income frequency are as given below:

Income frequency	Modal Factor
Yearly	100%
Half-Yearly	49%
Quarterly	24%
Monthly	8%

1. For Income Plan Option - Life Income

Mr. Ajay, a 35 year old banker, buys the Life Income plan option of SBI Life - Smart Platina Plus and has chosen an annualized premium of ₹1,00,000 for Premium payment term of 10 years and payout period of 15 years opting for annual mode of Guaranteed Income Payout. The policy term will be 26 years.

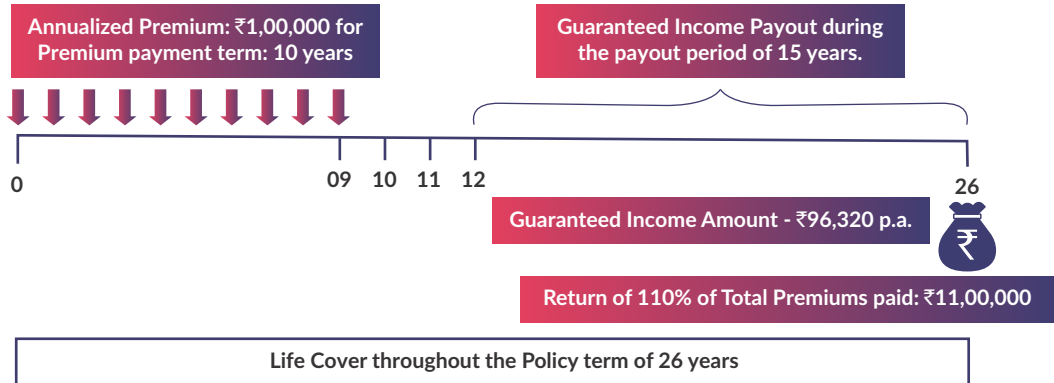

Guaranteed Income Amount = $99.21\% \times 1,00,000 = ₹99,210$ per annum.

Maturity Benefit - 110% of total premiums paid = ₹11,00,000

In case of unfortunate death of Mr. Ajay in the 7th policy year, the nominee will get ₹11,00,000 as Death Benefit and policy terminates.

2. For Income Plan Option - Guaranteed Income

Mr. Ajay, a 35 year old banker, buys the Guaranteed Income plan option of SBI Life - Smart Platina Plus and has chosen an annualized premium of ₹1,00,000 for Premium payment term of 10 years and payout period of 15 years opting for annual mode of Guaranteed Income Payout. The policy term will be 26 years.

Guaranteed Income Amount = $96.32\% \times 1,00,000 = ₹96,320$ per annum.

Maturity Benefit - 110% of total premiums paid = ₹11,00,000

Death Benefit

Scenario 1: In case of unfortunate death of Mr. Ajay in the 7th policy year, i.e. before the commencement of payout period, the nominee will get ₹11,00,000 as Death Benefit and the policy terminates.

Scenario 2: In case of unfortunate death of Mr. Ajay in the 20th policy year, i.e. after the commencement of payout period the nominee will get ₹13,02,383 as Death Benefit and the nominee will continue to receive ₹96,320 per annum for the outstanding payout period.

Benefits

Maturity Benefit (For In-force policies)

For both the Income Plan options, on survival of the life assured till the end of the policy term, 110% of the Total Premiums paid would be refunded at the end of the policy term.

Survival Benefit (For In-force policies)

For both the Income Plan options, Guaranteed income will be paid during the payout period depending on the payout frequency chosen provided the Life assured is surviving.

Death Benefit (For In-force policies)

The death benefit under the two income options are as follows:

1. **Life Income:** On death of the life assured at any time during the policy term, Sum assured on death is payable as lump sum to the nominee or legal heir of the life assured and the policy terminates.
2. **Guaranteed Income:** The death benefit payable before the commencement of the payout period and during the payout period are different.
 - On death of the life assured before the commencement of the payout period, Sum assured on death is payable as lump sum to the nominee or legal heir of the life assured and the policy terminates.
 - On death of the life assured after the commencement of the payout period, Sum assured on death is payable as lumpsum to the nominee or legal heir of the life assured and the nominee or legal heir shall continue to receive the future Guaranteed Income during the payout period. The nominee or legal heir shall have an option to receive the discounted value of the future Guaranteed Income, in the form of a lumpsum, anytime during the Payout Period, discounted at 8.25% per annum.

Where sum assured on death is higher of the following:

- Basic Sum Assured = 11 times of annualized premium[^] or
- 105% of total premiums paid[#] upto the date of death or
- Annual Guaranteed Income* Death Benefit Factor for Guaranteed Income + Maturity Benefit* Death Benefit Factor for Maturity Benefit

[^]Annualized premium shall be the premium payable in a year chosen by the policyholder, excluding the taxes, underwriting extra premiums and loadings for modal premiums, if any.

[#]Total Premiums paid /received means total of all the premiums received, excluding any extra premium and taxes.

Policy Loan

In emergency situations wherein the policyholders may require funds to meet some expenses etc. they may be allowed to borrow against their policy. Such policy loan will be limited to a maximum of 50% of the surrender value offered by the company. Such surrender value and the interest to be charged on the policy loan would be updated by the company from time to time. The nominal interest rate per annum is 150 basis points greater than the 10 year benchmark government security as on 1st April of each of the Financial Year and it will be compounding on a half-yearly basis. The 10 year benchmark G-Sec rate as on 1st April 2021 is 6.15%.

The interest rate would be rounded to nearest multiple of 25 basis points and interest amount would be rounded nearest to Re 1. Any change in basis of determination of interest rate for policy loan can be done only after prior approval of the Authority. The interest rate applicable for Financial Year 2021-22 is 7.75%.

The loan facility would be made available only if the policy has acquired a surrender value and during the policy term.

For other than in-force and fully paid up policies: In case outstanding loan amount including interest exceeds the surrender value, the policy would be foreclosed after giving intimation and reasonable opportunity to the policyholder to continue the policy.

For inforce and fully paid up policy: No policy would be terminated in case of outstanding loan amount including interest exceeding surrender value.

Before any benefits are paid out, loan outstanding together with the interest thereon will be deducted and the balance amount will be payable.

What Other Benefits do I get?

Free look Period

The policy holder has a free look period of 15 days (30 days in case policy is sold through distance mode and electronic policies) from the date of receipt of the policy document to review the terms and conditions of the policy and where the policyholder disagrees to any of those terms and conditions, the policyholder has an option to return the policy to the company for cancellation stating the reasons for his objection, then the policy holder shall be entitled to a refund of Premium paid subject only to a deduction of a proportionate risk premium for the period of cover and the expenses incurred on medical examination of the proposer and stamp duty charges.

Grace period

A grace period of 30 days from the premium due date will be allowed for payment of yearly and half yearly premiums and 15 days for monthly premiums. The policy will remain in force during the grace period. In case of death of the life assured during grace period, the balance of premiums, if any, till the next Policy anniversary, as on the date of death shall be deducted from the benefits payable under the Policy.

Tax Benefit

You may be eligible for Income Tax benefits/exemptions as per the applicable income tax laws in India, which are subject to change from time to time. You may visit our website for further details. Please consult your tax advisor for details.

Benefits under Paid-up Policies

Lapse

If first two full policy years' premiums have not been paid, the policy shall lapse without acquiring paid-up benefits after the expiry of grace period from the date of first unpaid premium.

All the benefits under the policy shall cease and no benefit shall be payable under the policy.

A lapsed policy which has not acquired any paid-up benefits can be revived within a period of 5 years from the date of first unpaid premium.

Reduced Paid-up policy

The policy acquires Reduced paid-up value only if at least first 2 full policy years' premiums have been paid.

- **Death Benefit for Reduced Paid-up Policy:**
 - On death of the life assured during the policy term and before the commencement of the payout period, Paid-up Sum Assured on death is payable
 - On death of the life assured during the policy term and after the commencement of the payout period:
 - ; Life Income: Paid-up Sum assured on death is payable
 - ; Guaranteed Income: Paid-up Sum assured on death is payable as lump sum to the nominee or legal heir of the life assured and also the nominee or legal heir shall continue to receive the future Reduced Guaranteed Income during the payout period. The nominee or legal heir shall have an option to receive the discounted value of the future Reduced Guaranteed Income, in the form of a lumpsum, anytime during the Payout Period, discounted at 8.25% per annum
- **Maturity Benefit for Reduced Paid-up Policy:** Upon Survival of the Life assured till the end of the policy term the Maturity benefit payable for Reduced Paid-up Policy would be equal to 110% of the Total Premiums paid at the end of the policy term.
- **Survival Benefit for Reduced Paid-up Policy:** Upon Survival of the Life assured, at the end of each income frequency chosen during the payout period, Reduced Guaranteed Income is payable.

$$\text{Paid-up Sum assured on death} = \text{Sum assured on death} \times \frac{\text{Number of premiums paid}}{\text{Number of premiums originally payable}}$$

$$\text{Reduced Guaranteed Income} = \text{Guaranteed Income} \times \frac{\text{Number of premiums paid}}{\text{Number of premiums originally payable}}$$

Surrender

The policy acquires Surrender Value only if at least first 2 full policy years' premiums have been paid.

The policyholder may terminate the policy during the policy term by surrendering the policy for a surrender value.

The Surrender value would be the higher of Special Surrender Value (SSV) and Guaranteed Surrender value (GSV).

The Guaranteed Surrender Value (GSV) is equal to (GSV factors multiplied by the total premiums paid) less survival benefits paid, if any

Special Surrender Value = SSV Factor x (Total Outstanding Reduced Guaranteed Income + 110% of the Total Premiums paid)

SSV factors would be modified subject to prior approval by IRDAI.

For details on GSV and SSV factors, please refer to the policy document.

Revival

If premiums are not paid within the grace period and the policy is not surrendered, the policy may be revived for full benefits within a revival period while the life assured is still alive. The revival period is equal to five consecutive years from the date of the first unpaid premium.

The revival will be considered on receipt of written application from the policyholder along with the proof of continued insurability of life assured and on payment of all overdue premiums with interest. The revival will be effected subject to underwriting based on Company's Board approved underwriting policy.

The interest will be charged at a rate declared by the company from time to time. The nominal interest rate per annum is 200 basis points greater than the benchmark yield of 10-year government security as on 1st April of each of the Financial Year and it will be compounding on a half-yearly basis. The 10-year benchmark G-Sec rate as on 1st April 2021 is 6.15%.

The interest rate would be rounded to nearest multiple of 25 basis points and interest amount would be rounded nearest to Re 1.

Any change in the basis for determining interest rate for revival would require prior approval from the Regulator.

Prohibition of Rebates

Section 41 of Insurance Act 1938, as amended from time to time, states:

- a) No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take out or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectus or tables of the insurer.
- b) Any person making default in complying with the provisions of this section shall be liable for a penalty which may extend to ten lakh rupees.

Non-Disclosure

Extract of Section 45 of the Insurance Act, 1938, as amended from time to time, states:

No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy. A policy of life insurance may be called in question at any time within three years from the date of the policy, on the ground of fraud or on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued. The insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured, the grounds and materials on which such decision is based.

No insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the mis-statement or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intention to suppress the fact or that such mis-statement or suppression are within the knowledge of the insurer. In case of fraud, the onus of disproving lies upon the beneficiaries, in case the policyholder is not alive.

In case of repudiation of the policy on the ground of misstatement or suppression of a material fact, and not on the grounds of fraud, the premiums collected on the policy till the date of repudiation shall be paid.

Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.

For complete details of the section and the definition of 'date of policy', please refer Section 45 of the Insurance Act, 1938, as amended from time to time.
